

**REISSUE APPLICATION
DECLARATION BY THE INVENTOR**

Docket Number
118839-00101

As a below named inventor, I hereby declare that:

My residence, mailing address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in the below identified patent:

Patent Number
6,530,162

Date Patent Issued
March 11, 2003

Title of Invention
Sports shoe cleats

for which a reissue patent is sought on the invention entitled:
Sports shoe cleats

the specification of which

☐ is attached hereto

☒ was filed on March 11, 2004 as reissue application number 10/797,934

and (if applicable) was amended on March 11, 2004, and January 25, 2005

I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

We (I) hereby claim foreign priority benefits under 35 USC §119(a)-(d) or §365(b) of any foreign application(s) for patent or inventor's certificate, or §365(a) of any PCT International application which designated at least one country other than the United States, listed below and have also identified below any foreign application for patent or inventor's certificate, or PCT international application having a filing date before that of the application on which priority is claimed. We (I) hereby claim the benefit under 35 USC §120 of any United States application(s), or §365(c) of any PCT International application designating the United States, listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States or PCT International application in the manner provided by the first paragraph of 35 USC §112, I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR §1.56 which became available between the filing date of the prior application and the national or PCT International filing date of this application.

Application Serial No.

Filing Date

February 20, 1997

Status

Patented

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below.
(Check all that apply)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☒ by reason of other errors.

At least one error upon which reissue is based is described as follows:

(1) The patent claims less than the patentee had a right to claim in that it does not cover the subject matter of new claims 12-24. Original patent claims 1-9 and 11 include a limitation directed to an axis ALT of a traction tooth, and original patent claim 10 includes a limitation directed to a plurality of *low-profile* traction teeth, whereas the invention as disclosed is drawn more broadly to a golf shoe cleat which does not have either of those limitations. Also, original patent claims 1-11 are directed to a golf shoe cleat, whereas the invention as disclosed is drawn more broadly to encompass the golf shoe itself. (2) Claim 11 should depend from claim 9 to ensure antecedent basis for the tooth axis ALT.

All errors corrected in this reissue application arose without any deceptive intention on the part of the applicant.

As a named inventor, I hereby appoint the following attorney(s) and/or agent(s) to prosecute this application and to transact all business in the Patent and Trademark Office connected herewith: Victor M. Wigman, Reg. No. 25,201; George C. Myers, Jr., Reg. No. 27,040; Donald R. Greene, Reg. No. 22,470; Michael C. Greenbaum, Reg. No. 28,419; Charles R. Wolfe, Jr., Reg. No. 28,680; Michael D.
